Healthy Environment

Project ID	Project Name	Project Description	Lead PI	Co-PI	Start Date	End Date	Funding Source	Funding Amount	Project Status	Project Type	Project Phase	Project Location	Project Impact	Project Outcome
2018001	Project 1	Research on environmental health effects of air pollution.	Dr. Smith	Dr. Jones	2018-01-01	2020-12-31	FDA	\$1,000,000	Completed	Phase I	Phase I	USA	Improved understanding of air pollution health effects.	
2018002	Project 2	Research on environmental health effects of water pollution.	Dr. Brown	Dr. Green	2018-03-01	2021-02-28	FDA	\$800,000	In Progress	Phase II	Phase II	USA	Identified potential health risks from water pollution.	
2018003	Project 3	Research on environmental health effects of soil pollution.	Dr. White	Dr. Black	2018-05-01	2022-04-30	FDA	\$900,000	In Progress	Phase III	Phase III	USA	Developed strategies for soil remediation.	
2018004	Project 4	Research on environmental health effects of noise pollution.	Dr. Red	Dr. Blue	2018-07-01	2023-06-30	FDA	\$750,000	In Progress	Phase IV	Phase IV	USA	Established guidelines for noise reduction.	
2018005	Project 5	Research on environmental health effects of light pollution.	Dr. Purple	Dr. Orange	2018-09-01	2024-08-31	FDA	\$600,000	In Progress	Phase V	Phase V	USA	Created awareness of light pollution health impacts.	
2018006	Project 6	Research on environmental health effects of electromagnetic interference.	Dr. Yellow	Dr. Green	2018-11-01	2025-10-31	FDA	\$500,000	In Progress	Phase VI	Phase VI	USA	Investigating potential health risks from EMF.	
2018007	Project 7	Research on environmental health effects of climate change.	Dr. Red	Dr. Blue	2019-01-01	2026-12-31	FDA	\$1,200,000	In Progress	Phase VII	Phase VII	USA	Assessing global health impacts of climate change.	
2018008	Project 8	Research on environmental health effects of urbanization.	Dr. Purple	Dr. Orange	2019-03-01	2027-02-28	FDA	\$850,000	In Progress	Phase VIII	Phase VIII	USA	Studying health effects of urban living conditions.	
2018009	Project 9	Research on environmental health effects of aging.	Dr. Yellow	Dr. Green	2019-05-01	2028-04-30	FDA	\$700,000	In Progress	Phase IX	Phase IX	USA	Examining health changes associated with aging.	
2018010	Project 10	Research on environmental health effects of genetics.	Dr. Red	Dr. Blue	2019-07-01	2029-06-30	FDA	\$650,000	In Progress	Phase X	Phase X	USA	Exploring genetic factors in environmental health.	
2018011	Project 11	Research on environmental health effects of diet.	Dr. Purple	Dr. Orange	2019-09-01	2030-08-31	FDA	\$550,000	In Progress	Phase XI	Phase XI	USA	Investigating nutritional impacts on health.	
2018012	Project 12	Research on environmental health effects of exercise.	Dr. Yellow	Dr. Green	2019-11-01	2031-10-31	FDA	\$450,000	In Progress	Phase XII	Phase XII	USA	Studying physical activity and health outcomes.	
2018013	Project 13	Research on environmental health effects of sleep.	Dr. Red	Dr. Blue	2020-01-01	2032-12-31	FDA	\$400,000	In Progress	Phase XIII	Phase XIII	USA	Examining the health benefits of quality sleep.	
2018014	Project 14	Research on environmental health effects of stress.	Dr. Purple	Dr. Orange	2020-03-01	2033-02-28	FDA	\$350,000	In Progress	Phase XIV	Phase XIV	USA	Investigating psychological stress and health.	
2018015	Project 15	Research on environmental health effects of mental health.	Dr. Yellow	Dr. Green	2020-05-01	2034-04-30	FDA	\$300,000	In Progress	Phase XV	Phase XV	USA	Studying mental health and environmental factors.	
2018016	Project 16	Research on environmental health effects of social media.	Dr. Red	Dr. Blue	2020-07-01	2035-06-30	FDA	\$250,000	In Progress	Phase XVI	Phase XVI	USA	Examining digital technology and health behaviors.	
2018017	Project 17	Research on environmental health effects of artificial intelligence.	Dr. Purple	Dr. Orange	2020-09-01	2036-08-31	FDA	\$200,000	In Progress	Phase XVII	Phase XVII	USA	Investigating AI and its potential health impacts.	
2018018	Project 18	Research on environmental health effects of space exploration.	Dr. Yellow	Dr. Green	2020-11-01	2037-10-31	FDA	\$150,000	In Progress	Phase XVIII	Phase XVIII	USA	Studying health challenges of space travel.	
2018019	Project 19	Research on environmental health effects of nanotechnology.	Dr. Red	Dr. Blue	2021-01-01	2038-12-31	FDA	\$100,000	In Progress	Phase XIX	Phase XIX	USA	Examining risks and benefits of nanotech.	
2018020	Project 20	Research on environmental health effects of biotechnology.	Dr. Purple	Dr. Orange	2021-03-01	2039-02-28	FDA	\$90,000	In Progress	Phase XX	Phase XX	USA	Investigating genetic engineering and health.	
2018021	Project 21	Research on environmental health effects of synthetic biology.	Dr. Yellow	Dr. Green	2021-05-01	2040-04-30	FDA	\$80,000	In Progress	Phase XXI	Phase XXI	USA	Studying engineered organisms and safety.	
2018022	Project 22	Research on environmental health effects of quantum computing.	Dr. Red	Dr. Blue	2021-07-01	2041-06-30	FDA	\$70,000	In Progress	Phase XXII	Phase XXII	USA	Examining quantum tech and health data.	
2018023	Project 23	Research on environmental health effects of blockchain.	Dr. Purple	Dr. Orange	2021-09-01	2042-08-31	FDA	\$60,000	In Progress	Phase XXIII	Phase XXIII	USA	Investigating digital security and health records.	
2018024	Project 24	Research on environmental health effects of 5G networks.	Dr. Yellow	Dr. Green	2021-11-01	2043-10-31	FDA	\$50,000	In Progress	Phase XXIV	Phase XXIV	USA	Examining wireless communication and health.	
2018025	Project 25	Research on environmental health effects of autonomous vehicles.	Dr. Red	Dr. Blue	2022-01-01	2044-12-31	FDA	\$40,000	In Progress	Phase XXV	Phase XXV	USA	Studying traffic safety and health impacts.	
2018026	Project 26	Research on environmental health effects of smart cities.	Dr. Purple	Dr. Orange	2022-03-01	2045-02-28	FDA	\$30,000	In Progress	Phase XXVI	Phase XXVI	USA	Examining urban infrastructure and health.	
2018027	Project 27	Research on environmental health effects of digital twins.	Dr. Yellow	Dr. Green	2022-05-01	2046-04-30	FDA	\$20,000	In Progress	Phase XXVII	Phase XXVII	USA	Investigating virtual models and health outcomes.	
2018028	Project 28	Research on environmental health effects of edge computing.	Dr. Red	Dr. Blue	2022-07-01	2047-06-30	FDA	\$15,000	In Progress	Phase XXVIII	Phase XXVIII	USA	Examining distributed computing and health data.	
2018029	Project 29	Research on environmental health effects of cloud computing.	Dr. Purple	Dr. Orange	2022-09-01	2048-08-31	FDA	\$10,000	In Progress	Phase XXIX	Phase XXIX	USA	Investigating data storage and health security.	
2018030	Project 30	Research on environmental health effects of big data.	Dr. Yellow	Dr. Green	2022-11-01	2049-10-31	FDA	\$5,000	In Progress	Phase XXX	Phase XXX	USA	Examining data analysis and health trends.
